Respect for Democracy Campaign

A project of the Alliance for Global Justice

We, the undersigned, demand that the US government show some RESPECT for DEMOCRACY and:

- CLOSE THE MIS-NAMED NATIONAL ENDOWMENT FOR DEMOCRACY AND STOP MEDDLING IN ELECTIONS IN OTHER COUNTRIES!
- ADVANCE REAL DEMOCRACY AT HOME BY INSURING OUR VOTES ARE VERIFIABLE AND REMOVING THE CORRUPTING INFLUENCE OF CORPORATIONS

The National Endowment for Democracy (NED) spends our taxes to interfere in foreign elections yet has no meaningful public oversight and no open books. The NED helped overthrow the elected government of Haiti in 2004 and has repeatedly tried to change the elected government of Venezuela including support for a failed coup in 2002. They have spent millions interfering in elections around the world. The NED spends half its budget supporting the US occupation of Iraq .

WE NEED TO BUILD REAL, PARTICIPATORY DEMOCRACY RIGHT HERE IN THE USA, NOT DESTROY IT IN OTHER COUNTRIES!
